Hi Doug –

Here is 2006 PPA for CDPHE. We'll see if there is a way to upload 2003 to Max or SP. Anthony may have some ideas. We may also be able to extract a particular section of interest – I think you were looking for areas where innovation is encouraged.

Melanie

I also found 2003 in my e-files. It is too large for the email system, even zipped, to forward
